**E Reasons for Preference (Please note you are not required to give written reasons for your school preference(s))**

**THE DATA PROTECTION ACT 2018** The Academy is part of Oasis Community Learning (OCL). OCL collects and processes personal data. Personal data is any information that can lead to the identification of a specific individual.

Data we collect relates to various groups of data subjects (i.e. individuals) including parents, carers, students, siblings, our employees, volunteers and others involved in the life of the Academy. Data is collected for a variety of purposes including our legal and educational obligations, as well as statistical reporting. Some personal information we process is required to meet these obligations, whilst other information we process requires the specific consent of the individual and is optional and these circumstances are clearly indicated where relevant. The data is retained and managed in accordance with the OCL Data Protection and associated policies. More information about the processing of data within OCL can be found on the Academy and OCL websites within the Privacy Notice or can be obtained by contacting the Academy directly.

**Fair Processing Notice** (Schedule 1 Section 2 section 1(a) & Section 3)

The Local Authorities hold information on pupils in order to run the education system and in doing so must follow the Data Protection Act 2018. This means, amongst other things that the data held about pupils will only be used for specific purposes allowed by law. We are therefore writing to tell you about the types of data held, why that data is held, and to whom it may be passed.

The Local Authority (LA) uses information collected about pupils to carry out specific functions for which it is legally responsible, such as the assessment of any special educational needs the pupil may have, home to school transport, school admissions, pupil welfare, children looked after, exclusions, early years support, etc. Information collected on pupils may also be exchanged with other departments in the Council, and other public bodies (for example, the Health Authority) where this is required for statutory purposes or is deemed to be of benefit to the pupil. The LA also uses the information to derive statistics to inform decisions on (for example) the funding of schools, and to assess the performance of schools and set targets for them. The statistics are used in such a way that individual pupils cannot be identified from them.

Information on individuals held on computer systems may be kept for up to eight years after they have left school.

Pupils, as data subjects, have certain rights under the Data Protection Act, including a general right of access to personal data held on them, with parents exercising this right on their behalf if they are too young to do so themselves. If you wish to access the personal data held about your child, then please write to Bristol City Council, Data Protection Officer, Room 346, City Hall, College Green, Bristol BS1 5TR. A fee is charged for this service.
