

English This term we will be exploring the wonderful book *Mouse Bird Snake Wolf* by David Almond.

We hope to write our own creation story. We will continue with our No Nonsense spelling scheme, supported by the children's home learning using our spelling games program, **Spelling Shed**.

Maths All our children will be delivered their maths curriculum using either the TEACCH method (short burst core skills activities) or the National Curriculum. There will be a heavy focus this term on core number skills. We will also be practising our **Rock Star Times Tables**.

Humanities This term's focus is Physical **Geography**, studying the rainforests of South America. We will be learning about the rainforest climate, the importance of trees to our living planet, and its role as habitat for a variety of animals.

Science Children who follow the Cheetah class curriculum will be learning about animals and plants in our natural world. We will be learning about classification of animals using the **Linnaeus system**.

Curriculum Overview

Cheetah Class

Summer 2

PSHE This term Mrs Tarling will be focussing on **Changing Me**; how do our bodies change as we grow? If you have any specific questions about this, please ask.

Life Skills: This term we are introducing our new **Wicked Wednesdays** program of events. This will include opportunities for cooking, walks within the local community and trips further afield. We will also be trying cycling at the Bristol Family Cycling Centre.

Creative Arts This term we will be studying healthy food choices in DT, making healthy balanced snacks. This will be incorporated into our Life Skills program and will include making pizzas, making sandwiches, and making a healthy cake.

PE This term we will again enjoy expert PE sessions led by LG Sports, which have proved very popular with the children. **We will also be enjoying Sports Day and Race for Life.**
