

English

Some children will be completing individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on.

Some children will be completing learning based around a story. We will be learning vocabulary, sentence writing and learning about punctuation and description.

Science

We will be exploring materials and food items. We will be looking at reversible and irreversible changes in materials. Some children will make predictions and describe the changes in the materials that we are using.

We will carry out lots of sensory play making and using dough and ice. We will be making bread and talking about hygiene when cooking and eating

Music

Familiar nursery rhymes using signing and symbols.

Phonics

Children will be completing individual 1:1 work based on their current phonics and tricky word knowledge.

Maths

All children will have their individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on

Curriculum Overview

Tiger class

Autumn 1

Creative Arts

We will be making patterns and pictures using natural objects such as leaves, sticks and stones that we will have found from around our school environment

PE

This term we will be building on our independence when getting changed for PE. With support we will play playground games and rhymes such as follow my leader, duck duck goose and tag.

This term we will be swimming each Wednesday.

Humanities

What was school like in the past?

We will explore old toys and old school objects. We will begin to match and name these objects.

Some children will describe these objects and how they are used making comparisons to what we use today in school.

Other curriculum areas

We will be working hard with the children to get them used to new and different routines.

We will work on road safety and safety in the community on our weekly trips to the swimming pool. We will talk about the importance of holding hands and walking.

We will do an attention autism session (sparkly box) each week. This aims to build children's concentration and attention through fun engaging activities led by an adult.

For children using PECS we will complete 1:1 and small group work to develop their current understanding and support them in moving forward with their communications.

Computing

Typing skills

We will be playing games to build the children's confidence in typing.
