

## English

Some children will be completing individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on.

Some children will be completing learning based around a story. This term our book focus will be Snowball by Sue Hendra and Paul Linnet. We will be learning about using commas in a list and having fun with rhyming words.

## Science

What Animals live in India? We will be learning about the animals that live in India.

We will begin to learn about the habitats of groups of animals.

We will explore food chains particularly looking at Indian animals.

## Music

We will sing and sign familiar songs and rhymes.

We will listen to, and explore Indian Music.

## Phonics

Children will be completing individual 1:1 work based on their current phonics and tricky word knowledge.

## Maths

All children will have their individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on.

## Speech and language

For the children who have speech and language targets we will work on their individual 1:1 targets daily.

## Curriculum Overview

Tiger

Autumn 2

## Creative Arts

We will learn about Rangoli patterns and the meaning behind them.

We will create our own patterns using a variety of materials.

## PE

This term we will be doing a sport session led by LG sport every Thursday. We always enjoy the fun games and activities that they teach us.

We will be swimming every Wednesday afternoon

## Humanities

Where is India and how is it different to the UK?

We will be learning about where India is, what the weather is like, the animals and even try some Indian food!

## Other curriculum areas

We will do an attention autism session (sparkly box) each week. This session aims to build children's concentration and attention through fun engaging activities and toys led by an adult.

For children using PECS we will complete 1:1 and small group work to develop their current understanding and support them in moving forward with their communication.

We will complete regular fun activities to work on the children's fine motor skills and social interactions.

As the weather improves, I am hoping that we can make more use of our outdoor area.

## Computing

Typing skills

We will be playing games to build the children's confidence in typing.
