

English- Some children will be completing individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on.

Some children will be completing learning based around writing instructions this term. We will be completing lots of activities and writing instructions about them after.

Science - What is a life cycle?

This term we will be learning about the life cycle of different animals including humans.

We will be doing lots of exploring, looking at pictures and videos.

Music-

We will sing and sign familiar songs and rhymes.

We will be starting to learn some new summer tunes

Computing

Research and typing

We will use the computers to find pictures of the animals we are learning about.

Maths

All children will have their individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on.

Speech and language- For the children who have speech and language targets we will work on their individual 1:1 targets daily.

Curriculum Overview

Tiger Class

Spring 2, Term 4

Phonics-

Children will be completing individual 1:1 work based on their current phonics and tricky word knowledge.

PE-

This term we will be doing a sport session led by LG sport every Thursday. This term our focus will be ball skills.

We will also do PE session on a Wednesday. Providing the weather is kind to us we will be doing some of our sessions outside.

Humanities-When did the first aeroplane fly?

In this exciting topic we will have a mini airport set up in our role play area.

We will be learning about the Wright brothers

We will be looking at all the different types of planes that we have today and what they are used for.

Creative Arts

We will be making our very own model aeroplanes!

Other curriculum areas-

We will do an attention autism session (sparkly box) each week. This session aims to build children's concentration and attention through fun engaging activities led by an adult.

For children using PECS we will complete 1:1 and small group work to develop their current understanding and support them in moving forward with their communication.

We will complete regular fun activities to work on the children's fine motor skills and social interactions.

This term we would like to spend lots of time in the garden playing with our new activities.
