

English- Some children will be completing individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on.

Some children will be completing learning based around a story. We will be completing lots of activities and coming up with our own version of the story!

Science - How does a plant grow?

For this Topic we will be making observations and researching how plants grow.

We will be recording information by taking pictures, writing about what we can see and drawing.

Music-

We will sing and sign familiar songs and rhymes.

We will be starting to learn some new summer tunes

Computing

We will be programming beebots to 'go on a journey across the sea' using the instructions we have given them.

Maths

All children will have their individual 1:1 targets. We will be writing in the children's home school communication books about what they have been working on.

Speech and language- For the children who have speech and language targets we will work on their individual 1:1 targets daily.

Curriculum Overview

Tiger Class

Summer 1, Term 5

Phonics-

Children will be completing individual 1:1 work based on their current phonics and tricky word knowledge.

PE-

We will have a PE session on a Monday. Weather permitting we will be outside.

This term we will be swimming each Wednesday

Humanities-Who is Christopher Columbus and what did he do?

We will be learning about Christopher Columbus. Where he was from, what he did and how he travelled.

We will find out where he travelled and using what.

Creative Arts

We will combine our arts session with our Science and learn new skills to draw parts of the plants we are looking at.

Other curriculum areas-

We will do an attention autism session (sparkly box) each week. This session aims to build children's concentration and attention through fun engaging activities led by an adult.

For children using PECS we will complete 1:1 and small group work to develop their current understanding and support them in moving forward with their communication.

We will complete regular fun activities to work on the children's fine motor skills and social interactions.

This term we would like to spend lots of time in the garden playing with our new activities.
