English

In English we are reading Mouse Bird Snake Wolf and will be focussing on adjectives and descriptive language and writing our own creation stories..

In reading we will continue to focus on answering questions using the skills of retrieval and inference.

We will continue to increase and improve our vocabulary by introducing a new word everyday and looking at different ways we can use it in our writing

Science

In science we will be looking at sound and understand how sounds are made and how we are able to hear them.

We will look at how the volume and pitch of a sound can be changed and will make musical instruments to demonstrate this.

We will make comparative investigations.

Music

Using Music Express we will be learning about pitch. **Music appreciation** – Scheherazade.

MFL

We will learn how to introduce our friends and family.

Maths

This term we will be focussing fractions and time. This will involve comparing fractions and being able to add and subtract them.

In time we will learn to use analogue and digital time as well as read time on a 24 hour clock. We will also answer time related problems.

Times tables will continue to be a priority so please encourage your child to keep practising using the Times Table Rock Stars website.

Curriculum Overview

Year

Spring 1

Take a look..

PSHE

In PSHE we will be looking at the importance of having dreams and goals. What kind of dreams and goals should we be setting for ourselves?

PE

This term we will be taught by LG Sports and Pe kit will be needed on Wednesday and Friday every week. Please make sure the children have the school PE kit.

Humanities

We will be focussing on the world map and knowing which countries and continents are where.

This will involve using mapping skills to locate different destinations.

Creative Arts

This term we will be carrying out a study of the artist Picasso. We will find out about the artist and his life along with the application of his technique.

RE

We will be learning about religious journeys and why they are so special to the people who make them..

Computing

In computing we will be learning about Microsoft and how it can be used well.
