

## English

We will be reading 'Traction Man' and look at how the super hero saves various characters before writing our very own super hero story.

We will continue with phonics programme and reviewing previous phases as needed throughout the term.

## Maths

We follow a programme called Maths Mastery.

We will start the year by making sure we know our numbers within 10 and that we are able to add and subtract with confidence.

We will also look at different Shapes and patterns.

## Humanities

In geography this term, we will look at where our school is and learn more about our local area. Weather permitting, we will make some messy maps of our school.

## Science

We will be looking at plants and trees this term, learning to identify their different parts. During our Forest School sessions, we will be going outside and learn to spot different trees, plants in our very own forest area.

## Curriculum Overview

Year 1

Autumn 1

## Creative Arts

We will be practising our pencil grip and learning to draw shapes and lines by drawing objects and buildings.

## Music

We will be exploring sound using our voices and we will be developing our sense of beat

## PSHE

We will begin our Jigsaw programme and look at what it means for us to be ourselves in our world.

## RE

We will look at where we belong and focus on the family. We will look at the Jewish Shabbat, a family celebration.

## MFL

Starts in KS2

## PE

We will be participating in games and learn to stop, catch and pass a ball.

## Computing

We will be starting our computing driving lesson – part 1. We will get to know how to use a computer safely.
