

## English

We are looking at a story called 'Stuck' by Oliver Jeffers. A funny picture book about a boy Floyd who's kite gets stuck up a tree. Through exploring this book we will be gaining an understanding of letter writing, story talk, memory games, instructions, character descriptions, role writing and narrative sequencing.

## Maths

Maths this term will include: developing knowledge of addition and subtraction within 20; recognising fractions and how to write these; comparing and describing measurements including length and mass.

## Humanities

Our geography topic this term is all about the United Kingdom. This will involve naming, locating and identifying characteristics of the 4 countries and their capital cities and the surrounding seas.

## Creative Arts

Linking in with our English book this term we will be creating kites this will involve cutting, sticking and painting. Hopefully we can fly them on a windy day!

At the end of term we will be creating Easter cards too.

## Curriculum Overview

Year 1

Spring 2

## Science

This term Year 1 are gaining an understanding of the human body and the 5 senses. Then going on to explore animals and what makes them different from one another. Learning how to group these animals through what they eat!

## PSHE

Linking in with our science topic of the human body we will be learning all about Healthy Me!

## RE

**In RE this term we will be focusing on, why are some people special? Looking closely at Mother Teresa and Dr Barnardo. We will also be looking at shrove Tuesday and Easter.**

## Music

This terms music will be closely linked with our science topic of animals. Children will explore different pitches and beats.

## PE

In PE we will be playing team games. Learning to stop, catch and pass balls in different ways. We will also be practicing a dance during our PE sessions too!

## Computing

We will be using pictures to produce a word document along with learning about how to stay safe on the internet.
