

## English

'The Lonely Beast' by Chris Judge using the 'Power of Reading' programme.

Class reading building to individual comprehension.

Mrs Wordsmith (which will give us a 'word of the day' to learn and contextualise).

Recapping phase 5 phonics.

## Maths

Using the 'Maths Mastery Programme' we will look at:

Numbers within 100

Adding and subtracting 2 digit numbers

Addition and subtraction word problems

Each child will receive a 'Times Table Rock Stars' account to help them practice at home.

## Humanities

History: What were holidays in the past? We will be comparing the modern holiday to that of Victorians and experience some activities they would have done in the past.

## Science

Why don't camels live at the North Pole?

Living things and their habitats. Comparing the difference between something that is living and dead. Map a habitat and identify what is inside it. Learning about food chains and learning about animal classes.

## Curriculum Overview

Year

Autumn 1

## Creative Arts

Animal portraits, pencil and brush skills, making sea-animals out of recycling.

## Music

Music appreciation and understanding musical genres including 'genre of the month' (soul in September and reggae in October).

## PSHE

We are starting a new scheme called 'Jigsaw' which has shown great success across the country. Each term has a theme which every year group studies within.

## RE

I wonder... questions that puzzle us. Opportunity to ask the big questions about ourselves and the World, for instance: Why do the stars come out?

## MFL

Starts in KS2

## PE

L.G. sports will be teaching us games and skills twice a week.

## Computing

Research a topic and how to use Google maps.
