

## English

In English we will be reading 'Gregory Cool' by Caroline Binch. This is the story of a boy from England who goes to Tobago to visit family. Here he discovers how different life is and new ways to enjoy it. We will discuss times when we have been away and research Tobago.

We will also be reading 'The Fantastic Mr Fox' by Roald Dahl. We will be focussing on the skill of retrieval which is finding information in a text.

## Science

We will be learning about light and dark. We will learn about how light enters the human eye, what a spectrum is and how opaque materials create shadows. We will also learn what translucent and transparent mean. We will carry out an investigation into the length of shadow an object can create. We will also learn about different reflective surfaces.

## Music

This term we will learn how to perform music and make our compositions interesting for the audience.

## MFL

We will be studying French, learning facts all about ourselves.

## Maths

In Maths lessons we will be beginning with multiplication and division then looking at measures.. We will also be using TT Rockstars weekly, and will be encouraging the children to use this at home also to improve their speed of recall.

## Curriculum Overview

Year 3

Autumn 2

## PSHE

In PSHE we will be celebrating difference. We will be learning about similarities and differences between ourselves and our friends and how everyone is different.

## PE

We will have PE on a Monday with LG Sports, focussing on team games and ball skills. We will have swimming every Wednesday.

## Humanities

This term we will be continuing to study the ancient Egyptians. We will be finding out about their beliefs, daily life and what interesting things they used to do (such as mummification). We will be discovering where Egypt is, its famous landmarks and we will learn about Pharaohs, their Gods and what archaeologists have found out about them over the years.

## Creative Arts

We will be learning about using lighter and darker colours to create an effect. We will learn different shading techniques and how they can make our pictures pop and be more interesting.

## RE

We will be learning about the Christian teachings of Jesus and why Christians find him inspirational. We will also look at who inspires us and why they inspire us.

## Computing

We will be learning about e-safety. This is how to keep ourselves safe when using computers, especially when on the internet.
