

English

This term we will be reading the book 'Pebble in my Pocket'. This is the story of a pebble that travels from a volcano before being found millions of years later in a child's pocket. It takes us through different times in the history of the Earth.

Science

In science we will be learning about rocks and where they come from. We will explore different types of rocks and comparing them to each other. We will also look at what fossils are, how they are made and different soils.

Music

We are going to be composing music in different ways using instruments.

MFL

We are learning to name our family members in French.

Maths

This term we will start by learning about fractions up to tenths. We will find fractions of objects and amounts and compare fractions to each other. We will then recap addition, subtraction, multiplication and division. We will be working up to 3 digit numbers and solving problems.

Curriculum Overview

Year 3

Spring 2

PSHE

Our Jigsaw topic this term is 'healthy me'. We will be looking at how to eat healthy and stay safe.

PE

This term we will be playing games. We will learn about sportsmanship and teamwork.

Humanities

This term we will be learning about Mexico. We will look at the physical and social geography of the country, its culture, traditions and other interesting facts about it.

Creative Arts

This term we will be linking our art to our geography topic and learning about Mexican art. We will study their techniques and unique designs.

RE

This term in RE we will be learning about what Christians believe. We will also learn why they believe this relating to the stories we already know.

Computing

This term we will be beginning to learn how to code. We will look at what coding is and introduce ourselves to different ways of coding.
