

## English

In English and Reading lessons we will be reading the text: 'Street Child'. As part of this we will be learning a little about Victorian England too! We will be writing a selection of text types, including character descriptions, story telling, descriptions and predictions. 'Mrs Wordsmith' will continue to support learning new and exciting vocabulary every day. Grammar will focus on, among other things, using relative clauses and adding detail to sentences with adverbial starters.

## Science

The focus of our science enquiry this term is how animals including humans change and develop from birth to old age.

## Music

In music we will be focusing on performance and take the lead in the Christmas production.

## MFL

We will continue to learn about hobbies and interests in French.

## Maths

In Maths lessons will build on the work we did last term on place value but the focus this term will be on multiplication and division. We will apply this use of larger numbers to more complex calculations and reasoning activities. We will continue to use TT Rockstars weekly, and will be encouraging the children to use this at home also to improve their speed of recall.

## Curriculum Overview

Year 5

Autumn 2

## PSHE

We will start looking at our Jigsaw programme which this term focuses on ourselves and our place in the world.

## PE

We will be swimming this term and in our other PE lessons will be developing our gym skills both in terms of accuracy and consistency.

## Humanities

We will continue our study of Anglo-Saxons by focusing on their way of life, their homes, their laws and their culture. We will also look at England's first king: King Alfred.

## Creative Arts

Our art this term is an artist study. We will be looking at the work of Banksy and try our hand at a picture of our own in his style.

## RE

We will be asking questions about why some books are special and focus specifically on the Bible and the Koran.

## Computing

In computing we will be working on a digital video workshop.
