

Year 1 Home Learning – Thursday 25th June 2020.

If you are returning to or have returned to school already, both bubbles will be taught **Monday and Tuesday's** home learning. The way the learning will be accessed has changed. **Monday and Tuesday** learning will be available on a PowerPoint with audio parts to support learning. This will hopefully allow children at home to access the same learning as the children in school. **Wednesday, Thursday and Friday's** home learning will continue to be on word/pack format for you to access online or printed.

We haven't been together as a class in school for over 12 weeks, so, I would really appreciate hearing how you are getting on. If you could send me pictures or messages of work, I would love to see these. It would be lovely to share and celebrate your home learning work. As in previous weeks please improvise and accommodate learning to suit yourselves. I am unsure which resources you may have at home so please do change when appropriate. Spend enough time to complete the task (around 30-40 minutes) but remember to have fun and time with your family too. I am still here to support you. Emailing is a great way to contact me Oak-Year1.Support@OasisNewOak.org. I look forward to hearing from you this week.

Take care, stay safe and keep washing your hands!

See you soon,

Miss Sherrin 😊

Phonics 30 minutes	<p><u>Watch whole phonic lesson here:</u> https://www.youtube.com/watch?v=-TiaStoGWBQ&list=PLhiNWfuSxAu1txmGDsY9poKjAigB9uvYE&index=18</p> <p><u>Learning sound:</u></p> <ul style="list-style-type: none">• Can you remember the sound 'ey'? What other ways can you write the 'ey' digraph?• Can you think of any words that contain the 'ey' digraph? (ey as in donkey) <div data-bbox="389 1310 555 1547"></div> <div data-bbox="719 1310 1098 1574"></div> <p>Watch the clip: https://www.youtube.com/watch?v=XDruUMOtZw or type into the search bar on youtube 'Geraldine Giraffe learns /ey/'</p> <ul style="list-style-type: none">• Can you read these 4 words containing the 'ey' digraph? Don't forget to add your sound buttons onto the words to help.
-----------------------	---

cockney

malley

turkey

nonkey

- Can you write 2 words that contain the 'ey' digraph? (Chimney, money)

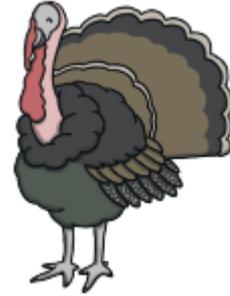

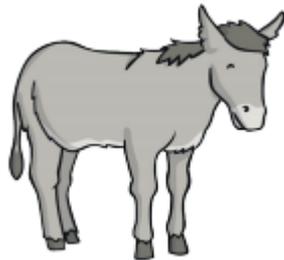

- Can you read this sentence and draw a picture to match the sentence?

Kelsey and Stanley are jockeys in the valley.

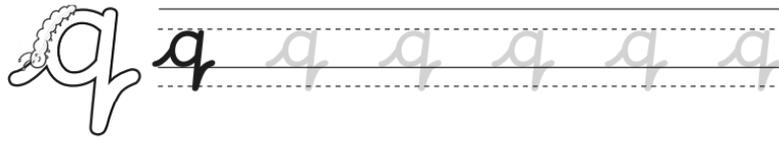

- Can you now think of any other words containing the 'ey' digraph and use them in a silly sentence? Here are some pictures to help! (donkey, honey and turkey)

Writing
30 minutes

This week you have been finding information to create a fact file on Neil Armstrong, the first man to walk on the moon. Yesterday you created your plan. Today I would like you to create your fact file. You need to write in full sentences remembering capital letters and full stops. Don't forget to use your phonics to help your spelling. Say your sentence out loud before writing it so you don't forget any words.

Handwriting
10 minutes

quack quick

egg elm eel

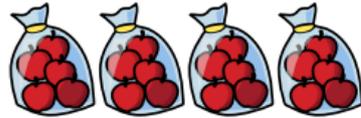

Maths
30 minutes

If you need support with today's lesson please watch the video link below.

<https://vimeo.com/425797578>

Please answer the questions below.

1 Complete the sentences.

There are apples in each bag.

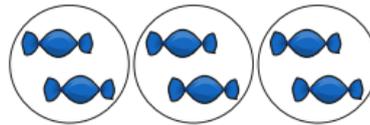

There are bags.

There are equal groups of

There are apples altogether.

$$\square + \square + \square + \square = \square$$

2 How many sweets are there?

$$\square + \square + \square = \square$$

There are sweets.

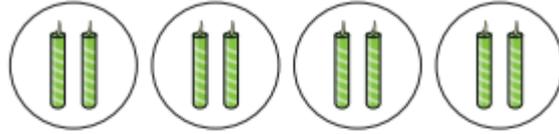

3 How many marbles are there?

$$\square + \square + \square = \square$$

There are marbles.

4 How many candles are there?

$$\square + \square + \square + \square = \square$$

There are candles.

5 Use counters to show the equal groups.

Complete the number sentences.

a) $2 + 2 + 2 + 2 = \square$

b) $5 + 5 + 5 + 5 + 5 = \square$

6 There are 7 equal groups of 5 counters.

How many counters are there altogether?

There are counters altogether.

Enquiry
30 minutes.

Over the next couple of days, we are going to be looking at how to stay safe online because we are using the internet for learning a lot more.

Activity 1:

Watch the video: <https://www.thinkuknow.co.uk/parents/jessie-and-friends>

Episode 2 – Sharing Pictures – The storybook

Can you answer the questions:

- o Who did Tia want to send the pictures to at first?
- o How did more people end up seeing the pictures?
- o What made Mo feel sad?
- o How did Ms Humphrey help Jessie, Tia and Mo?

Activity 2:

Watch the video: <https://www.thinkuknow.co.uk/parents/jessie-and-friends-videos/>

Learn the actions to the song! Re-watch the song on the Jessie & Friends cartoon. Use the actions and lyrics sheets to sing along and learn the actions to the chorus.

The Funny Tummy Song

Jessie and Friends Episode 2

It's fun to share a picture
With friends and family
If someone else is in it, check they're happy for others to see
If somebody shares something
That makes you go 'Uh-oh'
You're not alone
Put down the phone
Here's what you need to know...

If it makes you feel funny
In your tummy
Worried, scared or sad
Then you must
Tell a grown up you trust
Like a teacher or a mum or dad

If it makes you feel funny
In your tummy
That something's no OK
It's not your fault
Just tell an adult
They'll help to make it go away.
they'll help to make it go away

The Funny Tummy Song

Actions to accompany the chorus. Actions are based on British Sign Language (BSL).

Hands move in a circular motion around the stomach

Hands move in a circular motion around the head

Clawed hand taps the chin

Hand moves from the front of the face downwards to chest height

Hand moves straight across body

Hand moves outwards away from the face

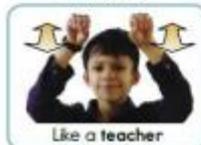

Hand moves up above the head

Right hand moves down onto left palm

Fingers move from the head outwards

3 fingers move up to and touch the forehead

2 fingers cross over 2 fingers on the other hand

Reading

Willow's Dream Rocket

Willow had always wanted to go to the Moon. It always looked so pretty in the sky at night. She would watch it from her bedroom window when she was meant to be asleep. Lots of people wondered if the Moon was really made out of cheese and Willow wanted to be the person who found out.

1. Where had Willow always wanted to go?
2. What did lots of people wonder if the Moon was made out of?

Willow had asked her grandma for a rocket for her birthday but Grandma said that rockets were very expensive so she bought her a toy car instead. That was no use. Willow knew that she would never get to the Moon in a toy car. "Hmmm, how else can I get there?" Willow wondered.

3. Why couldn't Grandma buy Willow a rocket for her birthday?
4. What did Willow get for her birthday?
