

Year 1 Home Learning – Wednesday 24th June 2020.

If you are returning to or have returned to school already, both bubbles will be taught **Monday and Tuesday's** home learning. The way the learning will be accessed has changed. **Monday and Tuesday** learning will be available on a PowerPoint with audio parts to support learning. This will hopefully allow children at home to access the same learning as the children in school. **Wednesday, Thursday and Friday's** home learning will continue to be on word/pack format for you to access online or printed.

We haven't been together as a class in school for over 12 weeks, so, I would really appreciate hearing how you are getting on. If you could send me pictures or messages of work I would love to see these. It would be lovely to share and celebrate your home learning work. As in previous weeks please improvise and accommodate learning to suit yourselves. I am unsure which resources you may have at home so please do change when appropriate. Spend enough time to complete the task (around 30-40 minutes) but remember to have fun and time with your family too. I am still here to support you. Emailing is a great way to contact me Oak-Year1.Support@OasisNewOak.org. I look forward to hearing from you this week.

Take care, stay safe and keep washing your hands!

See you soon,

Miss Sherrin ☺

Can you spot the 'au' digraph in the postcard below?

Dear Paul,

I wanted to remind you that tomorrow is the launch of the book 'The Haunted House', by the author Alex Whiteoak.

He told me that he has been working on the book since August. It took him such a long time because he was exhausted after his last book tour.

At the launch, since it is autumn time, we went for an orange, red and brown theme. There will be drinks, hot dogs and burgers with sauce. After the food, Alex will read a section from the book.

I really hope that the audience give Alex a huge applause. Maybe some people might want his autograph too!

Looking forward to seeing you,

Lauren

This week you have been finding information to create a fact file on Neil Armstrong, the first man to walk on the moon. You will need to use this plan to help you write your fact file tomorrow and Friday. Today I'd like you to put the information you have found out about Neil Armstrong into sections. These sections will help you to write in full sentences in your fact file.

Who?	What?	Details that I will include:
When?	Where?	
Quote:		

Think about each heading.
Who is the fact file about?
What did they do?
What did they achieve?
How did they achieve it?
Where are they from?
When were they born/died?
What were the famous words?
