Reading Comprehension

How to Look After a Dinosaur Egg

- 11** If you have found a dinosaur egg, you need to act quickly and carefully. If you don't, you might
- 19** end up with an angry baby dinosaur on your hands.
- 29**
- 39** First, you need to find out which kind of dinosaur
- 46** you will be raising. Different dinosaurs eat
- 55** different things so make sure that you buy the
- 63** correct kind of food for your new friend.
- 72** Next, put the egg somewhere warm. Wrap it in
- 81** blankets and keep it under a warm lightbulb at
- 91** all times so that the baby does not get cold.
- 101** Keep your eyes open... your new friend is on its
- 102** way.

Quick Questions

Curriculum

This week I will be providing you of a list of things you might want to do during your curriculum time. Choose one or many, make sure you enjoy it!

Science:

- Make a list of objects and the materials they are made out of.
- Build a bridge out of paper. How does the shape help its strength?
- Research one of the following habitats online and make a fact-file: Polar, desert, ocean, forest.
- Spend some time on a walk doing an animal search. Can you here one? Can you see one? What type of animal is it? How do you know? How is it different to other animals? Is it a mammal, reptile, bird, fish or amphibian?
- Write a weather prediction. What will the weather be like tomorrow? What will it be like in a week?

Geography:

- Practice memorising the capital cities of as many countries as you can.
- Practice memorising the flags of as many countries as you can.
- Use Google maps or Google Earth to find: Your house, our school, Bristol, London, The Pacific Ocean, Kenya, The Grand Canyon, The Great Wall of China.

History:

- Research The Great Fire of London to remind yourself what we learnt about it.
- Find out what Bristol was like 50 years ago. Do you know anyone over 50 you could phone or talk to in person? How else might you find out?

Music:

- Make up a song.
- Learn the words to a song and sing it off by heart.

Art:

- Make a picture using as many different ways of colouring as you can think of. Paints, chalk, pencils etc.
- Use a computer to create a picture of a person you love.
- Draw your favourite type of animal using only two colours.

PE:

- Run one kilometre (with an adult) and time yourselves. Can you beat your record?
- Practice balancing things on your head. Make sure they aren't things that will break or hurt you if they fall!
