Dear Parents/Carers

Let's use Class Dojo to reward children!

Class Dojo is an online system that we are going to introduce and use across the academy. It is a fantastic way for us to reward children for all their hard work and to recognise all the brilliant things that are happening both at home and school.

Class Dojo allows student to earn points for positive behaviour, exhibiting a 9 habit and for fantastic work. This means we can reward those children attending school and those who continue to access learning remotely.

One of the exciting features of Class Dojo is that children will be able to login and keep track of their own avatar that they can customise and their own portfolio, whereby the work and activities they undertake, can be shared with their class teacher.
