

English

This term we will be learning the story of 'Biscuit Bear' by Mini Grey. It is about a bear who goes on a night-time adventure in the kitchen and has a circus party with his friends.

In phonics we will continue learning the sounds of the alphabet and carry on learning to blend and segment.

Children will begin to write simple CVC words and captions.

Thank you for your support with helping your child to read their books and learn their keywords. We will continue to hear children read their keywords on a Friday.

Maths

In Maths, we will continue learning about the numbers to 6 and will begin adding and subtracting using objects.

Later on in the term, we are going to focus the lessons on measuring length and describing and sorting 3D shapes.

Knowledge and Understanding

We will be learning how to make biscuit bears and will decorate them with icing and sweets. Children will be learning about the changes that happen to ingredients as they are cooked. We will also think about celebrations around the world and what biscuits are eaten and will be thinking about Christmas trees and what they are made of.

Curriculum Overview

Year R

Autumn 2

PSED

This term our topic in PSED is Celebrating Difference. Within this, we will be learning that everyone is different, how to include others, knowing how to help if someone is being bullied, trying to solve problems, how to use kind words and knowing how to give and receive compliments.

Physical Development

They children are working really hard on changing independently for PE, please continue to support them by practicing at home and labelling PE kit.

We will continue playing simple games with the children to develop their gross-motor skills and learn how to take turns.

We will also introduce the children to Yoga Stories to help develop their core strength.

Creative Development

To complement our topic we will be making biscuit bears and decorating them. In December, we will begin to make Christmas decorations and cards as well as learning songs for our Christmas play!

Role Play Area

This term we will have a bakery in Bear Class! If you can donate any spare baking tins, aprons, paper cup cake cases, in fact anything bakery-themed then that would be great!
