

English

We are looking at a story called 'How to find gold'. An adventure story about a girl and crocodile on their quest to find gold. Through exploring this book we will be gaining an understanding of letter writing, story talk, character descriptions, role writing and narrative sequencing.

Science

We are investigating materials, to find the right uniform for a crew member which is closely linked to our History topic this term. We will be learning about everyday materials, their uses and properties.

Music

During our Music lessons this term we will be listening and creating different beats using our bodies and classroom objects.

Maths

This term we are exploring how to tell the time to the house and half-past and solve practical problems. After we are exploring calculation strategies within 20, we will be using our number bonds to help us! Finally we will be counting, reading and writing numbers to 50 using place value to support.

Curriculum Overview

Year 1

Spring 1

PSHE

Our PSHE is to learn how set simple personal goals and celebrate our successes and achievements!

PE

In PE this term we will be using our co-ordination within dance. We will be building on our skills of balance and control to then perform.

Humanities

Our topic this term is Isambard Kingdom Brunel – we will be looking at the famous historical engineer and his achievements in and around Bristol. We will be using skills such as enquiry, chronology and evidence.

Creative Arts

Linking in with our Science and History work this term we will be thinking about using different materials to design and then construct a boat. We will then hopefully have the chance to float our boats.

RE

We will be looking at why some people are special in RE this term. Focusing on the stories and lives of Mother Teresa and Dr Barnardo.

Computing

This term in ICT we will be looking closely at online safety, and how to stay safe. We will also be learning how to log in and off of our school laptops.
