Dear Parent/Carer

**Maths with Parents  
Thursday 13 September 2018**

From September 2018, the Academy will be using a new online platform to run its home learning in maths. Maths with Parents will help you and your child to enjoy exploring maths together, in line with what is being taught in the classroom.

**We believe:**

- 1. Parents and teachers raise children together**
- 2. There are oodles of ways to make maths fun**
- 3. Maths skills are life skills**
- 4. Maths does not have to be scary**

We would like to invite you to a launch session on **Thursday 13 September 3.30 - 4.00pm**, in the main hall. During this session, we will help you to register onto Maths with Parents, learn how to use it and ask any questions.

We look forward to seeing you all there.

Yours sincerely,

**Luke Gardner  
Maths Lead**
