## Principal's Greeting

Dear Parents/Carers,

What a grey day to finish a glorious week!

We have had an amazing first week back, learning is absolutely everywhere. Bears have been searching for dinosaurs and have been riding the train!

Elephants have been flying to the moon and learning about Neil Armstrong, there has been some amazing work on pie charts and blogs in Panthers, and even some stone age art.

Please can I ask with the Delta variant of COVID, that we continue to follow the protocols we have set out. Face coverings to be worn, making sure you are keeping 2 metres distance in the play ground and making sure that you leave the site as soon as you have picked up your children.

I know lots of you may have been thinking about sports day, due to COVID, this year we are going to do things slightly differently. Instead of a sports day we will be doing a sports week, every child will still get a chance to do the events with their peers but instead of doing as a whole school, we will be doing it in class bubbles. We will then celebrate it all at the end of the week. This does mean unfortunately this year it will just be a school event and we will not be having parents on site. But please join our Facebook page for lots of photos and videos.

Our Horizons iPads are transforming learning at New Oak but can we please try and make sure they are charged every night and can you check for updates as sometimes apps won't work if the iPad isn't running the most up to date version of iOS, which can then cause issues in the classroom.

As the weather is getting warmer, it is really important that the children have their water bottles in school every day. Please can you make sure that it is only water that is put into them and not juice, squash or anything fizzy. Can you also make sure that your child bring a sunhat into school, with their name on and that sun cream is applied first thing in the morning before they attend school.

It is supposed to be a glorious weekend, I hope you all have a lovely time, I am sure there will be lots of barbecues — don't forget to keep hydrated and apply that sun cream!

## Term Dates 2020-2021

**Term 6** - Monday 7th June - Friday 23rd July

**Wrong Trousers Day** - Friday 2nd July

**Vision Screening, R & Yr1** - 15th June
